Why are you here early? Liz is coming here tomorrow.
That's pretty mean, you know, considering it's been a long time since we met last time.
Besides, I used to live here also, you know?
Mom won't like to see the place messed up like this also.
So, sleep while I clean the place up.
I do not like this guy.

He has the same face as her ex-husband.
And he is way too easy going, like a clueless 10 year old kid.
And yet I feel like he always has something up in his sleeves...
Just so you know -

I am marrying Liz only because of her.
I am sure you don't want to call someone only 10 years older "dad"
I am sure you get my point. Stay out of our marriage.
No problem.

A son who's only 10 years younger?
What a fucking joke ...
Geez, bad headache...
I wish I didn't even know his existence.
....Denny.
Denny -

Liz ...?
You came back already ?
Why are you sleeping so much ?
I haven't had a good sleep for a while ...
I need you by my side for a good sleep...
Wake up. It's time.

What ...?
Mom called.
She is at the airport.

Let's bring her home, shall we ?
Dad.
